A NEW STANDARD IN
PORTABLE OXYGEN.

**Smart O₂ delivery.
Unmatched comfort.
Durable design.**

CAIRE®
O₂ is what we do.

INNOVATION MEETS OXYGEN THERAPY.

Expand your patients' comfort zone with this innovative and powerful device. Its advanced clinical performance makes it easy for patients to stay saturated, active and healthy.

Clinically-Effective Oxygen Delivery

Smart technology to ensure saturation

autoDOSE Automatic pulse delivery when no breath detected
UltraSense® Sensitive breath detection
myCAIRE™ Telehealth solution

Flexible flow rates to adjust to changing needs

With 5 settings and up to 1050 mL of oxygen per minute, the FreeStyle Comfort offers flexibility in treatment options and covers broad range of prescriptions.

Unmatched Comfort and Convenience

Compact and Lightweight

At only 10 in (25.4 cm) tall and 5 lbs. (2.3 kg), it is similar in size to a book and weighs less than a purse.

Quiet

At 39.9 dBA the sound level is slightly more than a whisper and less than a refrigerator.**

Ergonomically Designed

Body-skimming, curved silhouette reduces swinging and bouncing.

Easy-to-Read Display

Large fonts, multi-color LCD display and glow-in-the-dark keypad.

Lasts All Day

The 8-cell battery pack lasts up to 8 hours and the 16-cell battery pack lasts up to 16 hours.*

Enables Airline Travel

Meets FAA requirements for commercial airline travel.

Proven Quality and Support

Industry-Leading Reliability

Greater than 99% reliability rate out of the box.

Reduced Maintenance

Robust design features superior sieve bed technology reducing required maintenance.

Comprehensive Long-Term Warranty

CAIRE is the first manufacturer to offer a 3-year warranty on the device AND sieve beds.

PATIENT SATISFACTION BUILT-IN.
