BULLETIN*

PN: 21359152

RELEASE DATE: December 20, 2018

REVISION DATE(S): June 20, 2020 (Rev B)

MODEL: Helios™ U36/U46 Reservoirs

ISSUE: Symbolic Label Change

NOTES: Since January 1, 2019 all newly manufactured Helios U36/U46 Reservoirs are equipped with new symbolic warning labels. Prior to this change, CAIRE maintained a large variety of LOX labels in stock due to the different languages throughout our markets. The use of standard symbolic labels on LOX reservoirs and portables greatly streamline and simplify the ordering process for customers, improve repair turn-around times, and simplify inventory management for both CAIRE and our customers.

The new symbols on the warning label are defined in the accompanying user manual included with each unit.

Note that the Helios Portable units have been manufactured with the new symbolic label since 8/22/2016.

Figure 1: Location of New Label

Figure 2: Helios Universal Symbolic Warning Label

Table 1 below details previous Helios Reservoir manuals have been replaced by the current multi-language manual (CAIRE P/N: 21157307-C4).

Table 1: Helios Universal Reservoir Manuals

Item	Description	Replaced By
B-701641-00	Instructions, Patient Operating	21157307-C4
